Gas Dwindles to Vanishing Point in Competition

Footville—Gasoline sold for nothing a gallon in Footville Saturday, when two rival oil pump operators, merchants of this village, waged a price cutting battle. Scores of persons replenished their gas tanks while the prices were falling, with the one "selling" for nothing having most of the business.

The fun started early in the morning Saturday, when H. A. Silverthorn hung up a sign, "Gas down one cent," and was selling it for 12. Then his competitor, H. A. Swanson, across the street, went him one better, underselling him by one cent. Then a low price was secured from one side of the street to the other, the margin each time being one cent.

Three Kenosha boys, Edward Thomas, Charles Irving and Richard Baxter, are held by police as suspects in the death of Miss Parker. The charge against them will be charged to them following the death of Miss Parker.

"DENNY O'KEEFE" WAR DOG, HURT BY AUTO

Elkhorn—"Denny," the French war dog which has long been the mascot for our local Legion post, was hit by an automobile, Friday, at the southeast corner of the park and badly injured. The attending veterinarian found no bones broken, although the worst bruised his hind and X-ray taken, his pelvis and lower back were badly injured. The dog was taken to the home of a friend home from the post office and was waiting for her to cross the street at this busy corner. The puppy was a gift to Thomas O'Keefe, Jr., in France, after a battle where his owner was injured and expected to die, and O'Keefe carried the dog in his pockets and later brought him across at the homecoming.

Wade's Parents Greet Him at Landing; Spectators Join Huge Parade.

[BY ASSOCIATED PRESS]
Airmail Field, Maywood, Ill.—Lieut. Lewis Smith and his airmail flyer companions descended at the United States air mail field here at 12:55 p. m., completing their 291 mile trip from Dayton in 2 hours and 54 minutes.

The world flyers, with an escort of five planes, reached the down town district at 12:35 p. m., the three planes flying in close formation.

The planes, instead of circling over Grant Stadium, continued northward along the lake shore until they passed Lincoln Park and then turned in a southeasterly direction for the air mail field at Maywood.

Lieut. Smith, in his flag plane "Chicago," struck the earth at 12:55 p. m. in a southeasterly direction. Lieut. Nelson, in the New Orleans, landed at 12:59 p. m. and Lieut. Leigh Wade, with his Legion 11, followed at 1:01 p. m.

Smith Lands Easily
Spiraling into landing position, Lieut. Smith headed into the west, did a half reverse circle and came into the east leg straight-away as lightly as a descending dove. When his plane had made contact it was so slight that hardly a mile of dust was stirred up.

The cordons of policemen thrown about the area to which the three planes later taxied into position kept the throngs back but it did not deter a roaring welcome and nine runs for Lieut. Smith. When Lieut. Nelson came up, the cheering took on a new note. Lieut. Wade's arrival served to increase the demonstration.

Engulfed in Crowd
The three flyers, before any one could get to them, were engulfed from their planes and were embraced by the receiving party and the (Continued on Page 5)

THAT CARELESS FARM HAND

Platform Battle on Endorsement of National Ticket

Madison—A resolution endorsing Senator Robert M. La Follette for president, which progressive leaders announced here today will be presented to the republican platform convention here tomorrow is expected to draw the principal clash of the meeting.

Tabulation of the personnel of the convention today by La Follette leaders resulted in the declaration that there is but three or four votes difference between La Follette and Coolidge followers in the convention. This is expected to draw greater attention to the endorsement question.

Attorney General Ekers said today that no attempt to make La Follette electors will be made at the convention but that petitions for such electors will be circulated immediately following the platform meeting.

Robert M. La Follette, Jr., will not attend the platform convention, it was said today. Miss Ada James, Richard Center, is vice chairman and probably will preside at the opening of the session.

It is certain that the La Follette leaders in the platform convention will not be able to get away with the endorsement for La Follette without a fight. The Coolidge representatives will have a Coolidge and republican platform endorsement also and will put up a battle for this.

Electors will have to be named by the platform convention of Coolidge and Daves according to the statutes and the names of these electors must be given to the republican candidates for president and vice president.

Hunt for Man Who Picked up Girl

Search is being made in a dozen or more cities in Wisconsin and Illinois for a man driving a car bearing an Illinois license plate who is alleged to have enticed a 3-year-old Janesville girl into his car Saturday night, taking her out the Milwaukee avenue road. The child was freed later in two blocks of her home. The police said she was not mistreated.

The child said she got into the man's car near the public library. Mr. Church tipped liberally. Mabel was still the talk of the town because of the notable part she had played in the William Desmond Taylor murder. Later Miss Normand was to play an equally picturesque and prominent role in the shooting of Courtland S. Dines, Denver oil man, by Miss Normand's chauffeur.

In the Taylor murder girl figured heavily. In the Dines shooting girl figured. Mabel stormed about it. "They're making me the goat in every scandal in Hollywood," she said. "Edna Purviance and Dines were supposed to be engaged. She made deny it, but it's so. Charlie Chaplin is here to protect Edna. Who's to protect me?"

Certainly not Mrs. Church, who, in her complaint, describes in detail the booze parties in the hospital.

Mrs. Church asks \$3,000 for preliminary costs and \$35,000 attorney's fees.

Miss Normand, who is ill with an affection of the ears was forbidden by her physician to see anyone. It was stated that another operation may be necessary.

BOY, CAUGHT BY GILMAN, CHARGED WITH MANY CRIMES

EMIL KUNZ, 23, MONROE, THOUGHT LEADER OF ROBBER GANG.

HEARING SEPT. 25
Theft, Rum Running, Mayhem, Attempted Attack With Gun, Among Charges.

Emil Kunz, 23, Monroe, alleged auto thief, booze runner and leader of a criminal band which, police claim, has preyed on stores and garages in Wisconsin and Illinois, suspected of numerous crimes, at last faces the prospect of conviction and a long term in prison, being in jail here.

Kunz, who has made successful escapes from the jails of Janesville, Madison, Monroe and Brookfield, held under \$10,000 bonds with his preliminary hearing set for Sept. 25 in municipal court. He was arrested Saturday morning, before Judge Mashfield as Joe Gloving, the name he gave, on charges of possession of liquor and stealing an automobile, the one in which he was riding when arrested in Janesville Saturday.

An amended complaint will be filed against Kunz before his hearing, adding to the charges of those of mayhem and attempted assault with a dangerous weapon with intent to murder, as a result of his attempt to escape from arrest at Brookfield.

Kunz, who has the help of two Evansville citizens, rebuffed Kunz after an encounter in which the former Monroe farm hand fought for possession of Gilman's gun, which the latter placed on the sidewalk as his prisoner sought to climb him.

Police believe Joe Gloving is the name of Kunz' partner, who slipped away unobserved when Gilman was forced to concentrate his attention on the police. Gloving is a brother of Paul Gloving, bound over to the grand jury recently for alleged participation in the robbery of the Willis-Kellogg automobile, carrying an Illinois license, with the two men, Kunz and Gloving, seated in front.

Suspicious Arrested
Questioning concerning their destination and the reason for being out of the main highway was not satisfactory. Kunz showed familiarity with Evansville streets and said he had been there several weeks ago. This leads Chief Gilman to believe that he may be connected with the \$2,000 robbery of the Evansville Mercantile store August 1.

Chief Gilman did not know the importance of the arrest. He had made until he brought the man to the station. (Continued on Page 5)

FIRST WARD HAS GEYSER ERUPTION AS HYDRANT SNAPS

Residents of North Franklin street were treated to a miniature geyser eruption Sunday night when L. D. Horn, 520 North Washington street, lost control of his car and it rammed into a fire hydrant at the intersection of the street and Franklin.

At the base, a jet of water rising to a height of 12 feet flowed for 15 minutes until water department employees were able to effect a shut-off. The cause of the eruption, given by H. A. Griffey, water works engineer, is estimated that between 5,000 and 6,000 gallons of water poured forth during the short eruption. All of it was taken care of well by recently constructed storm sewers so there was no flood damage.

Mr. Horn's car was damaged considerably but no one was hurt. It ended its wild flight at the side of a pile of telephone poles.

The \$500,000 geyser break occurred at pumping station workers knew something was wrong. They soon learned where the trouble was through a call from the fire department, which was notified of the damage first, at 6:10 p. m.

CITY FAVORED BY Milder Weather

LOCAL MISSIONARY SOCIETY IS BEST

Young Women of Carroll
Church Make Notable Re-
cord in Year.

The Young Women's Missionary
society of the Carroll M. E. church,
Janesville, has achieved the highest
standard of excellence the past year
of any similar society in the world,
according to Mrs. Daisy Van Sant,
national secretary of the organiza-
tion, who spoke to the women con-
ference delegates at the First Con-
ference church here Saturday night.
Mrs. Van Sant is a former mission-
ary, now the wife of a leading attor-
ney and church man in Sterling, Ill.

Her presentation of the plans and
program for the Young Women's
Missionary society and the Standard
Bearsers the coming year was listen-
ed to with interest. She urged that
there is need for a revival of res-
ponsibility among the members in the
type of reading matter found in the
average Christian home, declaring
"It is a crime against God and man-
kind not to give them anything
better than the material found in your
reading table some of the church
and missionary publications. The
members who are constantly criti-
cizing other women of the church,
the minister and church activities
cannot expect their children will
grow up with a desire to take an
active part in church work. Mission-
ary study is of great educational
value from a secular standpoint as
it gives us an intimate knowledge
of places and customs in other
lands. Young people's mission-
ary organizations help to give to our
young people a purpose that is
worth while and interest in missions
is the kind of that will bind them to
the church."

\$30,000 ORGAN PLANNED FOR NEW THEATER

Work is being rushed to completion
on Saxe's new \$30,000 Jefferson theater
in preparation of an opening in the
early part of October. Thomas
Saxe, president of the Saxe chain of
theaters, by which the Jefferson will
be operated, announced Saturday that
the opening date of the new theater
would be definitely decided on Mon-
day.

The new theater will be the largest
and most elaborately equipped of any
in southern Wisconsin. Mr. Saxe de-
clared. It will have a capacity of
1,500 seats and a wonderful ventila-
tion system, which will provide wash-
ed, pure air for the theater audi-
ence continuously. The ventilating,
which goes into the basement of the
building, will comprise as much machin-
ery as that found in many a small
factory and will cost \$30,000 when
installed, it was announced.

Another innovation will be the
golden-voiced Barton organ, to be in-
stalled at a cost given as \$30,000. This
will be the same type of organ as has
been installed in Saxe's Wisconsin
and Modjeska theaters in Milwaukee,
but will contain but a single console,
while the Wisconsin theater organ has
a double console. Bernard Cow-
ham, the star organist of the Saxe
chain, who opened the Milwaukee
theater, will be sent here for the
opening of the Jefferson theater in
Janesville. This organ will contain
every imaginable effect in addition
to the regular musical stops on the
keyboards.

The management of the Jefferson the-
ater has announced that the policy of
entertainment for the new theater
will be the presentation of the
world's best motion pictures and
comedies. The best productions of
the industry, including the most
famous producers and stars, will
be the policy of the Saxe interests to
show these pictures immediately after their
initial showing at the Wisconsin the-
ater in Milwaukee, according to the
announcement. This will mean that
Janesville will be given first run pic-
tures immediately after their release
dates.

The opening of the Jefferson theater
promises to make a great difference
in the night life of West Milwaukee
street, as the theater front and en-
trance will be an ensemble of
brilliant lights. A large electric sign
will also be placed in the front of the
theater over the canopy.

One of the features of the Jefferson
theater will be the establishment of
Saxe Service. This provides for
courteous attention on the part of all
the uniformed employees of the the-
ater.

The Most Popular Girl in Southern Wisconsin--- WHO IS SHE?

There are hundreds of mighty popular girls who live within the bounds of Southern Wisconsin. You know many of them yourself. Charming, vivacious girls, whose lovable personalities endear them to hosts of their friends.

But of all of these girls, there is one who is just a bit more popular than the rest. There is one whose host of admiring friends is just a little bit larger.

To determine who this happy girl may be—and to reward her for the qualities that have made her so popular, is the object of this contest. Any girl in Southern Wisconsin is eligible to enter this contest, whether married or single, with the exception of Janesville Gazette employees, who will not be permitted to enter the contest.

When "Miss Popularity" has been selected she will formally dedicate the new JEFFRIS THEATRE in Janesville, which will be opened on Saturday, October 4th. "Miss Popularity" will head the big civic parade to be held on that night in a beautiful big floral float. The other five winners will also appear in this parade. In addition to this signal honor, "Miss Popularity" will receive

\$100.00 IN GOLD

and a Gold Engraved Life Pass to the Jeffris Theatre, that may be used as long as she lives.

2nd Prize—\$25 in gold and a year's pass to the Jeffris Theatre.

3rd Prize—\$5 in gold and 6 months' pass to the Jeffris Theatre.

4th Prize—3 months' pass to the Jeffris Theatre.

5th Prize—2 months' pass to the Jeffris Theatre.

6th Prize—1 month's pass to the Jeffris Theatre.

"Miss Popularity" will be selected by the very friends with whom she is popular. All that is necessary to nominate a young woman for entry into the contest is to sign her name and address to one or more of the ballots and deposit the same in one of the ballot boxes. Any girl living in Southern Wisconsin has as much chance of winning this contest as any Janesville girl. It is only a question of a girl getting her friends to cast their ballots for her.

Select Your Candidate and BOOST

Balloting in the contest to pick "Miss Popularity" will be conducted as follows:—

Ballots may be obtained at any of the Janesville places of business listed in this advertisement. They will be given in blocks of fifty and one hundred on all cash purchases of 50c or more, made at any of these stores. For example: a purchase of 50c to \$1.00 entitles the purchaser to fifty votes; a purchase of from \$1.00 to \$1.50 entitles the purchaser to one hundred votes; a purchase of from \$1.50 to \$2.00 entitles the purchaser to one hundred and fifty votes, etc. No ballots will be given with purchases smaller than fifty cents.

The Votes are to be Given With Cash Purchases Only

The ballots are then deposited in ballot boxes in any of the Janesville banks, The Bower City Bank, The First National Bank, The Merchants and Savings Bank, The Rock County National Bank, or The Rock County Trust & Savings Company.

Ballots will be counted daily and the candidates' standing announced through the news columns of the Gazette. In fairness to the young ladies who are candidates in this contest, do not ask any merchant to deviate from the rules governing the distribution of ballots, because any merchant who does break any of the rules will be automatically barred from further participation.

Voting will start Tomorrow, Tuesday, September 16th, and will close at midnight on Wednesday, October 1st. All Southern Wisconsin will watch this contest with the keenest interest. Everyone will follow the daily fluctuations in the standings of their favorites.

Get into the spirit! Some deserving girl can be the happiest in Wisconsin through your efforts. Men—put your sweethearts or your sisters into the race. How proud you would be if your sweetheart or your sister should win!

Don't forget—the contest closes October 1st. Get your candidate's name in early, and she will have a great advantage over the rest.
